2009

MINOR'S®  
*is the market-share leader in food  
bases<sup>1</sup> and the #1 most trusted brand  
in U.S. foodservice kitchens<sup>2</sup>*

## THE NESTLÉ QUALITY PROMISE

*The Nestlé name is synonymous with Nutrition Health & Wellness, and with this comes Quality, Consistency, and Food Safety.*

*The MINOR'S factory complies with the most stringent standards in the business (USDA, FDA, CFIA, HACCP, ISO 22000). This allows us to provide the highest quality and food-safe products to you, our customer. Under no circumstances will we ever compromise the safety or quality of our products.*

*Our customers and consumers alike trust brands from Nestlé. They expect the highest standards, and this is exactly what we deliver.*
